PRINCIPAL'S MESSAGE

It is with great pleasure that we welcome you to Havelock Belmont Public School. We are extremely proud of the programs we offer our students. We greatly value the learning partnership between home, school, and the community. We invite you to participate in your child's education.

This handbook has been developed to help both students and parents learn as much as possible about school policies and procedures and the services we offer students.

We also hope that students will learn to use this agenda effectively. With consistent use, the student agenda is an effective means of communication between home and school. Students will be encouraged to record daily any homework or upcoming events. It is essential that parents check their child's agenda each night, initial it, add notes when necessary, and ensure that it is returned to school the next day. We appreciate your support in making the agenda an effective communication and time management tool to assist and support your child.

SAFE ARRIVAL PROGRAM

ABSENCES

Safe Arrival is a mandatory program in all Ontario schools. If your child is ill or will not be attending school, please phone the **Safe Arrival Program** and leave a message. The phone number is **(705) 778-3821 ext. 40**.

If your child becomes ill while at school, we will attempt to contact parents. If we are unable to reach parents, we will contact the people listed on the emergency contact form to take the child home. The Student Verification Form listing emergency contact people will be sent home to fill out on the first day of school. Please contact the school to make any changes throughout the school year.

LATE ARRIVAL/ LEAVING EARLY

If your child is going to be late for school, it is necessary for parents to call the Safe Arrival Program and leave a message. Upon arriving at the school, **students must report to the office prior to going to their classroom.**

Students who need to leave school early are required to bring a dated note signed by their parent/guardian. If you need to pick-up your child please report to the office and we will call to the classroom to get your child to come to the office to meet you.

ARRIVAL AND DISMISSAL PROCEDURES

Our parking lot is an extremely busy place during arrival and dismissal times. **The bus zone in front of the school is for bus students and emergency vehicles only. As this is a fire zone, no other vehicles are permitted in this area at any time.**

To ensure student safety, parents are requested to park only on the side of the road which is marked, in the parking lot or at the community centre. Please do not park your vehicle in the flow of traffic as this presents safety issues and obstructs other vehicles which are trying to leave. Walking students must walk on the sidewalk and not cut across the parking lot when arriving or leaving school property.

At dismissal time, parents should designate a spot to meet their child(ren) outside the appropriate exit doors to the building. **We request that parents not stand in the hallways to wait for their child as the halls are very congested in the morning and at dismissal time and it also raises safety concerns about unauthorized adults in the building.**

DRESS CODE

Staff and students are expected to dress in a neat, clean, modest and non-offensive manner which is deemed acceptable within the school=s learning environment. **Clothing with offensive messages or revealing clothing, such as clothing that shows undergarments or exposes the midriff is inappropriate.** Students wearing inappropriate clothing will be asked to change or to go home to change. Hats may be worn outside only.

Indoor footwear is required for hygiene, safety and emergencies and must be worn at all times. Proper running shoes must always be used in the school=s gymnasium or other areas in the school and also for outdoor activities.

SKATEBOARDS, SCOOTERS, ROLLER BLADES & SHOES (WITH WHEELS)

For safety reasons, skateboards, scooters, roller blades and other wheeled devices are not allowed on school property. Students bring bicycles to school at their own risk. If parents allow students the privilege of riding their bike to school, it is expected that students will wear a helmet and dismount their bike immediately upon arriving on school property. Students will bring their own lock to secure their bike. There is no supervision of bikes on school property. The school will not assume responsibility for stolen or damaged bicycles.

HOMEWORK POLICY

Homework is a regular, necessary part of your child=s learning at all grade levels. It is a time for task completion and skill review. Homework can range from reading with your child nightly to completing projects/activities assigned beyond the school day.

Parents/guardians play a significant role in establishing a routine for homework completion. Here is how you can help:

- Provide a quiet place for your child to complete homework.
- Turn off the television, computer and other sources of distraction.
- Make homework a nightly priority before other activities occur.
- Plan projects over several nights to avoid the pressure of completing larger assignments in one evening.

CODE OF CONDUCT

THE DETAILED CODE OF CONDUCT IS POSTED ON OUR SCHOOL WEBSITE.

BREAKFAST PROGRAM

Proper nutrition plays a key role in children's ability to focus and learn. We are fortunate at Havelock Belmont to have a dedicated group of volunteers who provide a breakfast program for all students who wish to partake. Nutritious items are available each day in the bins that are sent to the classrooms. We thank our volunteers and sponsors for providing this valuable service for our students.

Character education encourages all members of our school community to be the best they can be. Through intentional teaching of the ten character attributes, staff, students and parents develop a common language in which to interact, communicate and solve problems in a responsible and respectful manner. The ten attributes are:

- ! **Respect**
- ! **Responsibility**
- ! Courage
- ! Empathy
- ! Optimism
- ! Fairness
- ! Integrity
- ! Perseverance
- ! Honesty
- ! Initiative

Each month, our school will focus on one of the ten character attributes.

BUS EXPECTATIONS

STUDENT BEHAVIOUR

Riding the bus is a **privilege**. Students are expected to remain seated at all times and refrain from yelling, throwing things and/or eating on the bus. Students are required to abide by all the bus expectations, and those outlined in the School's Code of Conduct, while on the bus. Failure to do so will result in progressive discipline and/or possible removal from the bus.

BUS CANCELLATIONS

If there are bus cancellations due to inclement weather it will be announced on the STSCO website at www.stsco.ca. It will also be available on your local radio stations such as Country 105, Energy 99.7, STAR 93.3, and on the KRUZ 100.5 before school. The STSCO Telephone Information Line (705-748-9240 or toll free 1-866-433-4441) can also be used to check if there are any large scale bus cancellations (i.e. county or regional). Keep your bus route number handy to identify if your bus is cancelled. If buses are cancelled in the morning, they will **not** run in the afternoon. Therefore, if you drive your child to school when the buses are cancelled, you must arrange transportation for your child to get home at dismissal.

BUS POLICY

Students who do not travel by bus to get to school will **not** be given permission to ride on the bus to go to a friend's house. Parents/guardians will need to make their own transportation arrangements in these circumstances.

If you have any questions or concerns or would like more information please call or drop by the office.

MEDICAL CONCERNS

Nut Safe/Scent Sensitive School - As you are aware we do have students who have peanut/nut allergies and we would ask that **you not pack any food that contain or may contain items with these elements.**

Given the variety of medical concerns and allergies in the building, we would also ask that animals not be brought into the school (this does not mean service animals). As well, please refrain from the use of perfumes and other scents as we have a number of staff and students that have

reactions to such. Your cooperation is greatly appreciated in helping make **Havelock Belmont Public School safe for all!**

VOLUNTEERS

Volunteers in the school provide additional human resources for improving instruction and assisting in the development of better understanding and support for student achievement. Volunteers can enhance student attitudes and skills. Throughout the school year parents, community members and secondary school students are encouraged to assist the staff and the students in a variety of ways in the school library resource centre, typing stories, listening to students read, supervising on class excursions or special events and preparing learning resources.

Your assistance, on either a scheduled basis or on occasion, is welcomed. Volunteers **will require a Police Records Check with a Vulnerable Sector Screening.**

Police require a Letter of Request for Police Records Checks signed by the principal of the school. Stop by the office or phone and we will forward a Letter of Request with your child.

Police Records Checks are good for one year and are submitted by the school for filing at the Board Office.
